STADIUMS/STADES

As a family group with international standing, Grosfillex has been headquartered in Oyonnax located in the Rhone Alpes region for 90 years. Our knowledge and manufacturing expertise has progressively developed on numerous product essentials: armchairs, chairs, tables, lounges, shelving, and garden planters. Our product line also includes stadium seating, garden sheds, along with wall & ceiling coverings, doors, and windows.

Groupe familial de rayonnement international, Grosfillex est implanté depuis 90 ans à Oyonnax dans la région Rhône-Alpes. Le savoir-faire de l'entreprise s'est ainsi progressivement décliné sur de nombreux produits devenus incontournables : fauteuils, chaises, tables, bains de soleil, étagères et armoires, sièges de stades mais aussi abris de jardin ainsi que revêtements pour murs et plafonds, portes et fenêtres...

A global presence
Une présence mondiale

European Management

Grosfillex is present in Europe across 7 commercial subsidiaries - France, Spain, Italy, Great Britain, Belgium, Switzerland, and Germany.

La Direction Européenne

Grosfillex est présent en Europe au travers de 7 filiales commerciales directement en prise avec leurs marchés : la France, l'Allemagne, la Grande Bretagne, l'Espagne, l'Italie, la Belgique et la Suisse.

Large Export Management

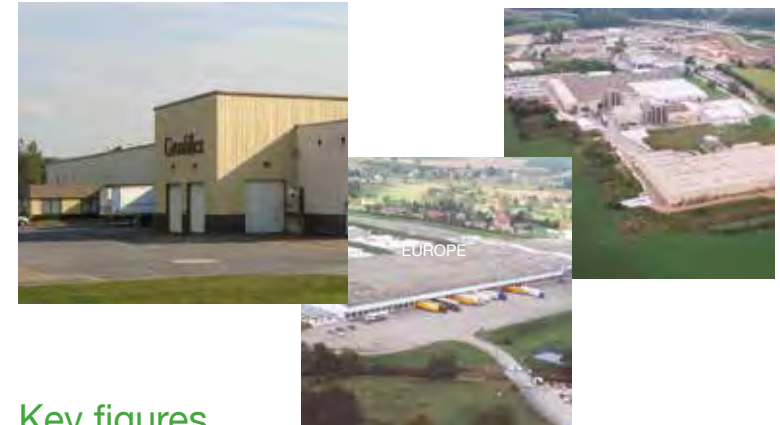

Grosfillex has distributing / importing partners in more than 80 countries.

La Direction Grand Export

Des partenaires distributeurs / importateurs dans plus de 80 pays
Grosfillex équipe à travers le monde de grands groupes internationaux et des lieux de prestiges qui nous font confiance depuis des années.

An industrial power

Une puissance industrielle

Key figures

Quelques chiffres clés

100,000 m² of buildings

3 production sites : France, United States, Brazil

1,200 employees

Delivery to 80 countries with more than 4,000 customers abroad

100,000 m² de bâtiments

3 sites de production : France, Etats-Unis, Brésil

30,000 tonnes de matière transformée par an

1,200 collaborateurs

80 pays livrés avec plus de 4 000 clients à l'étranger

Rexform replicates the beauty of teakwood with a durable material that is colorfast and easy to maintain. All Rexform products feature a textured wood grain that enhances the authentic look and feel of a wood finish - it will not gray, splinter or rot.

Synthetic
Metal Finish

Kevring replicates the look of cast metal, featuring metallic flecks in the formulation that give the material added dimension and beauty. All Kevring products feature a wrinkled metal texture and holds up to the toughest outdoor element. It won't rust, fade, chip or stain.

All-Weather Wicker Designs

Havana and Java All-Weather Wicker Collections feature folding chairs, armchairs, chaise lounges, and barstools built to replicate the design integrity of a resin wicker strand woven over metal frames, without the maintenance!

Air Molding Process (AMT) Technology

This latest addition to Grosfillex extensive park of technologies is the result of the close cooperation of our Design & Research and Development teams. AMT allows the production of sleek designs with superior strength - without the weight. Often used in conjunction with Grosfillex proprietary technopolymers, AMT brings new design capabilities to the endless creativity of our designers while staying true to Grosfillex value proposition.

The products that we manufacture are ASTM tested and certified by registered laboratories

Les produits que nous fabriquons sont testés et certifiés par des laboratoires agréés.

DESIGNER'S CHOICE

Built for performance durability in interior commercial environments

Conçu pour la durabilité et la performance dans les environnements commerciaux intérieurs
Construidas para rendimento y durabilidad en entornos comerciales en interiores

Tough, straight edges to resist impacts and allow ganging

Bords droits et épais pour résister aux impacts

Bordes fuertes, rectos para resistir impactos y permitir el agrupamiento

Melamine surface to resist scratches, hot plate burns and stains
Surface en mélamine pour résister aux rayures, aux brûlures de plaque chaude et aux taches
Superficie de melamina para resistir rayas, quemaduras de platos calientes y manchas

Reinforced for the US market to carry the weight of heavy table bases
Renforcé pour le marché américain pour porter de lourdes tables
Reforzadas para el mercado Estadounidense para cargar el peso de bases de mesas pesadas

NOTES

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Grosfillex®

EXPERT

Grosfillex prides itself on respecting the environment with a low energy manufacturing process that produces no emissions and with a concentrated effort of reducing, reusing, and recycling all other materials. Manufacturing plastic products uses less energy than making similar products from other materials. Grosfillex resin products do not use topical treatments which can peel off and contaminate the water table. Grosfillex resin furniture is 100% recyclable.
