to our

Customers

First of all, I would like to say thank you. . .

Thank you to those who are picking up our catalog for the first time, thank you to our loyal customers who look forward to receiving our catalog every year, and thank you to all those who have continued to make each year more successful than the last.

From my wife and I sitting on our kitchen floor building our first piece of pool furniture, to the multi-plant operation that is the Leisure Creations you see today. I could have never imagined what this company would become.

Our motto continues to be "Quality First" and we strive to reflect it in our products, service, and industry-leading warranties. It is our mission to continue making high-quality furniture with sustainable and durable materials, all while providing a tailored experience to meet your commercial poolside needs.

We are blessed with the opportunity to continue doing what we love and could not achieve this without customers like you.

Again, I want to offer a sincere thank you and I look forward to seeing the continued success of Leisure Creations in 2023.

Chris Williams, President

Why

Leisure Creations

For nearly 20 years, Leisure Creations' products have been manufactured in sweet home, Alabama.

Our products use non-toxic, environmentally friendly components, making them safe and recyclable.

We stand behind our furniture with our exclusive Leisure Creations' Pool and Patio 15-Year Frame Warranty.

Many of our models stack, making storage easier and maximizing any outdoor area.

We produce a range of aquatic furniture pieces that are made to enjoy while partially submerged on your pool's ledge.

0-15 inches of water are recommended for ledges

Most of our models are customizable in 55 sling fabrics, 94 cushion fabrics, and 18 frame finishes.

We have a wide selection of durable, commercial-grade outdoor furniture, from stylish patio sets to modern pool furnishings and accessories.

Many of our products are built to be compatible with ADA requirements.

Hand-Made
quality

Every piece of furniture is hand-made with thicker aluminum, stronger welds, and higher quality material to exceed industry standards.

We stand behind our furniture quality with our industry-leading Leisure Creations' Pool and Patio Warranties.

leisure creations warranties become null and void in the event of damage to the product resulting from any of the following:

Unauthorized Repair, Alteration, or Modification of the Product by Anyone Other Than Leisure Creation or Approved Representatives Thereof

In Pool Use of Furniture That is Not Specifically Designed for Water Usage

Use of Unapproved Cleaning Chemicals or Exposure to Oils or Lotions

Lack of Routine Maintenance and Cleaning

Vandalism

Damage Resulting from Accidents Cause by Severe Weather

Breakage Due to Abuse or Misuse

Note: Warranty Applies to the Original Purchaser

Leisure Creations furniture is exceptionally durable and explicitly built for everyday, commercial outdoor use. Like any other product, proper maintenance is the only way to ensure that your products look and work as well on year five as they did on day one.

Here are some helpful instructions on how to maintain your quality outdoor furniture:

Care and procedures

table tops

Wash the table top using a soft cloth with a solution of water and mild detergent. Rinse with clean water.

frames

Wash the tabletop using a soft cloth with a solution of water and mild detergent. Rinse with clean water.

For more stubborn stains, you may use a mild abrasive such as *Soft Scrub* (regular - NO BLEACH).

Periodic waxing with a paste or clear automobile wax can be performed on smooth frame finishes (not textured). This will help protect against exposure to sunlight and salty air.

Be sure to inspect nylon glides frequently and replace if worn or missing. This will help prolong the life of your furniture.

vinyl strap

To protect your vinyl from build-up and mildew growth, clean frequently with a solution of mild dish washing detergent, such as *Dawn*, and a half cup of vinegar to two gallons of warm water. Rinse with clean water.

For more stubborn stains, you may use a mild abrasive such as *Soft Scrub* (regular - NO BLEACH).

Periodic waxing with a paste or clear automobile wax can prolong strap life and help reduce staining.

aqua MGP

Leisure Creations Aqua MGP products are designed to be used in water. They are resistant to the sun and chemical levels of a well-maintained pool.

When adding concentrated chemicals to your pool, such as shock, remove Aqua MGP products from the water and do not return until chemical levels are back to normal.

Use water and a soft-bristle brush or cloth for routine cleaning. For a deeper clean, remove from the pool and use a mild household cleaner or a *Magic Eraser*. Depending on calcium levels in your pool, you may see a white powdery coating on your Aqua MGP products. You can clean this with *CLR* (Calcium, Lime, and Rust Remover).

slings, cushion, & umbrella fabric

Brush off any loose dirt. Prepare a solution of mild soap, such as *Woolite* or *Dawn* dish-washing liquid, and lukewarm water for cleaning. DO NOT USE BLEACH. Use approximately 1/4 cup of soap per gallon of water. Clean using a sponge or a soft bristle brush, allowing the cleaning solution to soak into the fabric. Rinse thoroughly to remove all soap residue. Allow fabric to air dry.

important notes

If done correctly, outdoor furniture can be safely cleaned as often as needed, and frequent cleanings should prolong the life of your furniture.

Below are some items that can be harmful to vinyl strapping, fabrics, and frame finishes:

- Do not use strong detergents or bleach, solvents such as methyl, ethyl, ketone, acetone or paint thinner
- Do not use power washers
- Suntan and sunblock products may be harmful to cushions, sling and vinyl. Do not allow such products to come in contact with seating surfaces to avoid deep penetrating stains, which are not covered under warranty.
