

POLYWOOD

rethink outdoor.

THE POLYWOOD DIFFERENCE

We believe life is about following your passion. Ours is creating comfortable and stylish outdoor furniture that's great for the Earth and built to last.

POLYWOOD

DURABILITY

Backed by a 20-year warranty, our lumber is resistant to stains and corrosive substances, and isn't prone to splinter, crack, chip, peel, or rot.

WEATHER RESISTANCE

Our all-weather material is built to withstand all four seasons and a range of climates including hot sun, snowy winters, salt spray, and heavy winds.

COLOR-STAY TECHNOLOGY

UV inhibitors and stabilizers protect our lumber from harmful environmental degradation and, along with light stable pigments, run continuously throughout the material.

LOW MAINTENANCE

Genuine POLYWOOD® lumber cleans easily with soap and water and requires no painting, staining, or waterproofing.
