FROG'S RESINWOOD PLASTIC

LOW MAINTENANCE

Never needs to be painted, stained, or waterproofed, ever.

DURABLE

crack, or peel and is impervious to insects.

FADE RESISTANT

UV protection keeps colors vibrant and rich.

EASY TO CLEAN

A little soap and water goes a long way.

RECYCLED

All recycled content used is 100% post-consumer.

Landfill to Landscape

FROG'S RESINWOOD PLASTIC

LANDFILL TO LANDSCAPE

BEHIND THE MATH: ONE = ZERO

21 MILK JUGS = 1 POUND OF RECYCLED PLASTIC

=100 MILK JUGS

3400 MILK JUGS = ONE 6-FOOT PARK BENCH

6300 MILK JUGS =
ONE 6-FOOT PICNIC TABLE

1 CONSCIENTIOUS DECISION = A STEP TOWARD ZERO FOOTPRINT

Why is Frog Furnishings

LEAPING THE COMPETITION?

INDUSTRY LEADING QUALITY

Our state-of-the-art manufacturing processes, careful attention to detail, and unique engineering expertise ensures the product you are receiving is one of the best.

COMPETITIVE PRICING

Frog offers competitive pricing.

FAST SHIPPING

Look for this symbol to indicate products available for Quick Ship. Most of our Quick Ship items ship in 2 business days or less!

DISTRIBUTION PARTNERS

Frog Furnishings sells all products exclusively through distribution. We promote, advertise and actively market our products through partnership participation. Distributors are our lifeline to the end user and we stand behind them 365 days a year.

EXCEPTIONAL SERVICE

Since 2000 Frog has taken great pride in providing a high level of service and sales support which continues to create loyal and long-term distributor relationships.

GREEN INITIATIVE

Frog's premium Resinwood plastic reduces landfill and helps to fight deforestation.

MADE IN THE USA

Frog Furnishing's products are proudly made in Kansas, centrally located to service all of our customers.

RESINWOOD

Frog's Resinwood plastic lumber is made from the highest quality materials on the market and serves as the backbone for the products in this catalog. Our Resinwood plastic lumber contains no fillers, like the sawdust used by many other manufacturers to cut costs. Our material is solid through and through, meaning the color is vibrant throughout the plank, and there are no holes or voids, highlighting Frog's commitment to quality and craftsmanship. Our HDPE (High Density Polyethylene) Resinwood lumber contains recycled plastic that is 100% post-consumer, helping to reduce landfill space and fight deforestation.

Frog Furnishings products stand out due to the careful attention paid to the cleaning of the material. Our raw material enters our machines without contaminants, residues, or foreign objects which maximizes the integrity and durability of the products we create. Additionally, our UV Stabilization Phase protects the color and structure of our product, ensuring the plastic lumber will be maintenance–free for years to come. Custom colors, sizes, and lengths are available for quantity orders.

^{*}NOTE: All sizes and weights are approximate. All plastic lumber will shrink and expand to some degree during periods of extreme heat or extreme cold.

CUSTOM OPTIONS

SIZES

Since our products are made right here in the USA, we are in the unique position to create custom sizes for many of our products. Extra long benches are often requested for playing fields. Custom length tables are perfect for large shelters. Let us know if you have a special request and we'll do our best to service you.

COLORS

Custom color recycled planks are a unique way to carry a color theme or show branding throughout an environment. Schools and universities can show their school pride through our vast color selection and custom color options. Quantity orders are generally expected for custom color requests.

ENGRAVING

Custom engraving provides the perfect chance for customers to relay a special message or to honor someone's memory. This is ideal for memorial and donor bench programs and is very popular with schools and universities. Our team of specialized designers will work with your wording and logo to create a masterpiece that can be enjoyed for years to come. Engraving may add several weeks to lead times.

DESIGN

Have a specific design in mind? Work with one of our sales team members to see it come to life! Once a design is chosen and finalized, production will create a build plan and provide a project timeline. Custom designs are generally only considered for large-scale projects. They can be the perfect way for schools and businesses to make a strong statement.

SKU BUILDER

All product orders need the following information included: size, product color, and product name, with additional specifications available in various products (i.e., mount option).

BENCHES

Stop and enjoy the view from one of our stylish and durable benches. Made to withstand the wear and tear of high traffic areas, yet subtle enough for the most scenic views, Frog's Resinwood is the seating solution for your outdoor space. Virtually maintenance-free, Frog Furnishings benches will hold up to all weather elements and will not splinter, crack, or warp.

PLAZA BENCH

ex. PB 6CEDSFPLZBAC

Surface Wedge Anchor

Length	Back Supports	Weigh
4 ft	2	160 lbs
6 ft	3	195 lbs
6 ft Backless	3	100 lbs

Made with either four or eight 2" x 4" Resinwood slats and an extremely durable, steel, silver powder-coated frame, this style bench is ideal for anyone looking to impress the next passerby. Contoured boards are included for comfort and the frame is made with holes for surface mounting. Stainless steel hardware is standard. Mounting hardware is provided.

PLAZA CHAIR

ex. PB 24CEDSFPLZCHR

Surface Wedge Anchor		
Seat Height	Weight	
24"	105 lbs	

Made with eight 2" x 4" and two 1" x 4" Resinwood slats and a sturdy, silver powder-coated, steel frame, this chair isn't your typical back patio chair. It's built to last and last and last some more. If you wish to mount, there are holes in the frame for this. Comes with mounting hardware. Stainless steel standard.

PLAZA RECEPTACLE

ex. PB 32PLZ**SFCED**

Surface Wedge Anchor

Capacity Weight
32 gal 140 lbs

Made with twenty 1" x 4" Resinwood slats and a very heavy duty, steel, silver powder-coated frame, this receptacle makes even the trash inside feel beautiful. A durable, heavy lid comes with a cable for securing it to the framing. Stainless steel hardware is standard. Mounting kit included for surface mounting.

PLAZA TABLE

ex. PB 42CEDSFPLZTB

Made with eight 2" x 4" and two 2" x 6" bullnosed Resinwood slats and a highly durable, silver powder-coated steel frame, this table is perfectly matched with the Plaza Chair or either of the Plaza Benches. It also doubles as a bench perfect for ski towns and other resorts and high traffic areas. Frames come with surface mount holes and hardware. Stainless steel hardware standard.

ACCESSORIES

32 gal Round	12 lbs
32 gal Square	12 lbs

MOUNTING OPTIONS

Many of Frog's site furnishings are sturdy enough to be placed in service without using an in-ground or surface mount. However, all of our products are designed with easy mounting in mind.

1. In-Ground J-Bolt (PB 1999)

Frog's in-ground mounting kit is simple and effective. Simply attach our solid steel J-Bolts to the bottom of the plastic base, and set the base in concrete, quickcrete or dirt. The J-Bolt's shape makes it nearly impossible to pull out, and the below ground mount is guaranteed to last.

2. Surface L-Bracket (PB 1008)

Frog's surface mounting kits utilize a unique Poly-L bracket, which is pound for pound as strong as steel. Our Poly-L brackets are recommended for almost all products with plastic bases. Standard lag screws, Tap-Cons, or rebar can be used to secure the Poly-L bracket to any surface.

Box includes 2.

3. Surface U-Bracket (PB 1998)

Our standard U-Brackets are recommended for surface mounting our galvanized frame picnic tables and other items with irregular shaped bases. The galvanized U-Bracket will not rust, and is made

Kit includes four brackets, eight screws, and one concrete drill bit.

4. In-Ground T-Mount (PB 1997)

Our round trash receptacles can be mounted into the ground with our Resinwood plastic T-Mount. This heavy duty and maintenance-free option allows for the receptacle to sit slightly above the ground.

Kit includes 1 mount.

5. Surface Wedge Anchor (RMO 6020)

The 3/8" concrete wedge anchor is used to secure metal frames to concrete surfaces. This type of mount kit is excellent for deterring theft or movement of products.

Kit includes 4 anchors.

6. Surface Elite Bolt (PB

The Elite Bolt surface mount kit allows any product made with the Elite Series base to be secured to a concrete surface. A concrete drill bit is included as well as a drill bit for the plastic base and all necessary hardware for securing the base to the surface.

Kit includes 4 bolts and 2 bits.

7. Surface Post Mount (PB 1995)

The Surface Post mount can be used to secure any 4x4 post to a hard surface, such as concrete. The heavy duty black steel mount can be bolted to the surface and the 4x4 post can be secured by screwing through the holes in the mount into the fiberglass infused plastic post.

POLICIES & WARRANTY INFORMATION

FROG PRODUCT WARRANTY

Frog Furnishings guarantees all materials and workmanship for 5 years on any product made from Resinwood. Frog guarantees all materials and workmanship for one year on any product made of steel, aluminum, or a combination of metal and plastic. The guarantee excludes vandalism, improper use, corrosion caused by chemicals, and acts of God. Claims must be filed within the warranty timeframe of the original invoice date and must be accompanied by the original invoice or invoice number.

ORDERING MADE EASY

Ordering products is as simple as contacting Frog Furnishings through their website. A sales representative will then follow up with you, answer any questions, and provide you with up-to-date pricing and shipping information for all Frog products.

Please visit www.frogfurnishings.com/contact to get in touch with us.
